Dear parents,  
Warm Greetings!

Date: 18-08-2021

Hope you and your family are safe and in good health. We understand that we have the additional responsibility of developing social skills and emotional resilience in students, especially given the present scenario where the students are missing the warmth of their friends and the class room environment.

We are trying to make sure that the students have not missed out on their learning through various modes by us. We look forward for your cooperation and support in the new mode of teaching and teacher –student interaction.

You are requested to remit the **Tuition Fees** of your ward studying in the school for the second term from August to November, not later than 10<sup>th</sup> of the month mentioning clearly name of student, class, admission no and amount. As regards the monthly rate of tuition fees, you may please see the website. Parents who could afford may please continue to pay the full fees as usual. There is no increase in the fee structure for the academic year 2021-22.

Yours sincerely

Rani Annamalai
