

INDEPENDENCEDAYCELEBRATIONS - 2021

“Independence Day” celebration at school often means a beautifully decorated campus with ribbons and balloons of tricolour. The virtual celebrations was conducted on 13th August 2021. The celebration started with school prayer and teachers explained about the 75th year of Independence through a Power point presentation. Few children dressed up as freedom fighters and spoke about their character. Other children came up with beautiful tricolour attire holding hand flags in their tiny hands and danced for a patriotic song. Drawing and colouring our National flag was given as the activity for the kids and the day concluded with the National Anthem.
