## HOLIDAY HOMEWORK 2023-2024

### NURSERY

Summer is messy,  
Summer is fun,  
Trips to the beach,  
In the hot, hot Sun,  
Let's give summer,  
A big fat cheer!

Summer is the best time of the year.

Dear Parent,

We wish you and your child a very happy summer holidays .It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for his /her holistic development.

## Oral Instructions:

Children learn through experiences and play, there are many ways in which you can support them in gaining knowledge and understanding as well as strengthen the parent child bond.

- Some things that you as a parent can do are:
- Take your child on a nature walk.
- Play simple games with your child.
- Make simple conversations.
- Involve them in little household chores.
- Recite a story to them.

The teachers are trying to encourage the children to use simple words , phrases and sentences in school and at home like.

## SUMMER VACATION ACTIVITIES

To ensure that the child has constructive holidays, few activities mentioned here will keep the child active and observant.

'Activities help students to develop problem-solving, reasoning, critical thinking. Activities also help students in developing skills beyond the knowledge of subjects and offer them an opportunity of thinking unusually and getting the innovative ideas of their own.'

So engage your child with these activities every day during this summervacation.
